4. Follow-up from Bob Bramhill
 - a. Invite Bob Bramhill Fall 2020? Fall 2021? June 28 e-mail response from Bob:
 - i. If you have the event in a particular church, are you saying that other churches would probably not join in even if you approached them and invited them? If that is the case then neutral ground might be a better choice
 - ii. We don't charge a fee for doing a conference - we ask that you cover our expenses for travel, lodging and meals - we prefer to stay in a hotel or bed and breakfast - what you do beyond that is up to you - sometimes a church will give a love offering, sometimes they will charge participants a fee - whatever you discern is the best.
 - iii. Typically brochures are made up to get the information out there - we normally call it a "Healthy Relationships Seminar" - we deal so much with marriages but we don't want people to think it's only for marriages because it applies to singles just as much.
5. Report of phone conversation with John Regier about speaking engagements
 - a. We will have access to PowerPoints from *Identifying and Resolving Spiritual Issues* Series.
