Big Valley Brethren in Christ Church

In October, Bob and Ethel accepted the invitation to share about Seven Acres Ministry at Big Valley Brethren in Christ Church.

Potential Church Donor

In May, Ethel met with Cathy Diehl from Rockville Fellowship. Their church is purchasing a house as a way of building/expanding the church's ministry. They are looking for a ministry that is also building/expanding in which to sow seed in conjunction with the seed they are sowing in their church ministry.

Internet Presence

The website has had 147 people visit in the past year through Facebook(35), direct(40), Google Search(46) and other search engines(26).

Bob has updated the website and Facebook occasionally with Ethel or Bob cross posting three blogs on Facebook and website. These posts had a total reach of 1400.

Networking

Ethel met with two other pastors' wives for mutual support and encouragement. We are exploring interest from other pastors' wives. Though this is not directly under Seven Acres Ministry, it has been suggested that our Ministry would be offered as a place pastors' wives could find a confidential place to talk.

Ethel reached out to Karen Peachey after seeing a sign change at her office. Karen has started her own practice, Journey to Hope.

Central Pennsylvania Clinic

Seven Acres Ministry continues to use an office at Central Pennsylvania Clinic one afternoon a week in order to be available to family members impacted by genetic disorders. In addition, any Seven Acres Ministry client could schedule a meeting during this time.

Spiritual Mentoring

Throughout the year, 6 men, 6 ladies, and 4 couples have received spiritual mentoring.

Use of Technology in Mentoring

- Soul Refiner is used with two out of state gentlemen as well as face to face sessions.
- Videos from RightNow Media and Study Gateway have been used with clients.

Events

No public events were planned this year.
